4

You will go through a series of steps to complete the application form. For the first step, select for which the application is for.

Complete the Visa Application Form

Fill out the required details to provide the necessary information for your visa application process.

Instructions

Please ensure that all information provided in this form is accurate and complete, as it will be used in a legal document. Any inaccuracies or omissions may have legal consequences.

Additionally, you are permitted to apply **only on behalf of your immediate family members and dependents.**

This application is for*

- Select applicant
- Myself
- Family Member (Over the age of 18)
- Family Member (Under the age of 18)
- Dependent (Newborn)

Learn

You can only apply for yourself or for your family members. Your application will be automatically rejected if you apply for another person that is not your family member.

5

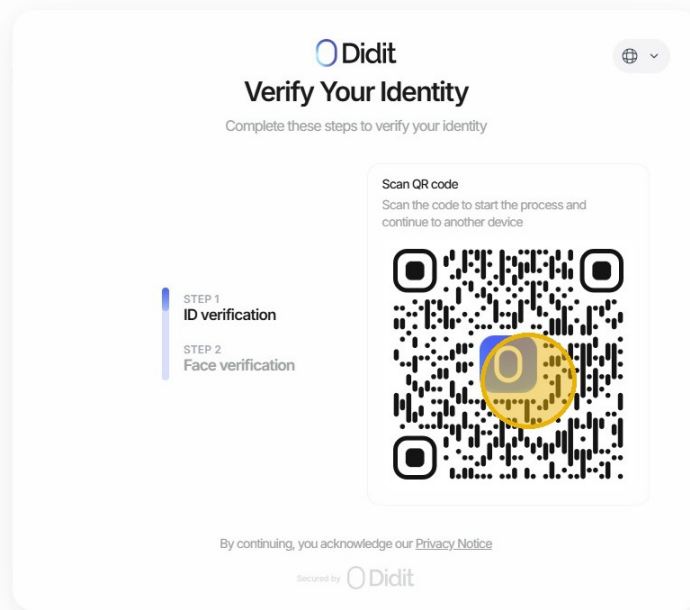

Click "Continue" to proceed to the verification step.

6

To proceed further, you will need to undergo a verification process. Click "Start Verification"

7

Scan the QR code from your mobile device to complete the verification of your identity document and selfie.

8

Once your verification is completed, you will automatically be proceeded to the Step 2 of the application wherein you fill out your **Personal Details**.
